FAIRHAVEN VILLAGE GREEN VENDORS INVITATION/CONTRACT

INVITATION: The Historic Fairhaven Association, organizers of the annual Dirty Dan Festival, has leased the Fairhaven Village Green for the day-long event and invites the involvement of vendors of all varieties who want to reach the thousands of festival attendees.

For general information about this event (and other events in Fairhaven), go to www.fairhaven.com/events/

FESTIVAL SPACE:

- The Fairhaven Village Green (located behind Village Books and the Colophon Café, with Mill Avenue and 10th street on the north and west sides) has capacity for 20 vendor spaces/stalls.
- Each 9' x 9' stall is covered by a glass and wood pergola structure. The stalls surround a vibrant green area with benches on three sides and a stage at one end. If you are unfamiliar with the space, please stop by the park or visit <http://www.cob.org/services/recreation/parks-trails/Pages/fairhaven-village-green.aspx>
- Vendors will need to provide their own table(s), chair(s), and weather protection (such as tarps) for the sides and/or back of your space. Many, but not all, of the stalls have benches.
- There are two public restrooms at the south end of the park along 10th Street. There will also be additional port-a-potties provided during the event.

PRICING:

Space is available to for-profit vendors for **\$100 if Application/Contract and payment are received by February 28, 2019**, and \$125 if contract and payment are received between March 1 through April 10, 2019. Space is available to non-profit organizations for \$25 each.

DEADLINE:

Booth space is limited and will be reserved in the order of the return postage dates on paid applications. Contract and payment must be received by Feb. 28, 2019, for Early-bird Rate, and no later than April 10, 2019, otherwise.

FOOD:

All food vendors MUST obtain a temporary food service permit. The type of food you prepare determines the type of permit you need (see <http://wa-whatcomcounty.civicplus.com/872/Food-Safety-Food-Establishment-Packets>). If you have any questions, contact the Health Department directly at 360-676-6724.
